Re: Missionary Eddie Williams and Turkana Missions

Dear Sister Churches and Fellow Pastors,

We at South Union are excited to announce our partnership with Bro. Eddie Williams and Turkana Missions. We are blessed of the Lord to have this special opportunity to be a part of Turkana Missions and what God is doing in Northern Kenya.

We want to publicly thank New Hope Baptist Church of Tuscaloosa, AL for all that she has done for Turkana Missions under the pastoral leadership of both Butch Roshto and Joseph Witcher. We thank Bro. Joseph and New Hope for a smooth transition and for allowing us to pick up the torch for Turkana Missions.

As pastor, I am so looking forward to working with Bro. Eddie in this new capacity. I've had the privilege of being on the mission field with Bro. Eddie on three separate occasions. I can speak first hand to the work that God is doing in Turkana and particularly through Bro. Eddie. He is a man of integrity and has an unwavering love for the people of Turkana.

If you have any questions or concerns that I can answer, please do not hesitate to contact me. My contact information is located on this letterhead. I will also be available at our national meeting in Springfield and look forward to seeing many of you there. Bro. Eddie will have a Turkana Missions booth in the exhibit hall.

I ask that you pray for us as a sending church, Bro. Eddie, and the people of Turkana. It is our deepest desire to plant indigenous churches and train national pastors for the work of fulfilling the Great Commission amongst the people of Turkana and to the regions beyond.

Thank you for your time and consideration of this matter. May God richly bless the work we each do for the honor and glory of our Lord and Savior, Jesus Christ.

Sincerely,

Chad Thompson
Pastor
