TURKANA MISSIONS

PEACE IN KENYA?

Nairobi-February ended with a signing of a peace treaty between the two opposing sides in Kenya. It creates a prime minister position that will be filled with Mr. Odinga and he will hold some of the powers that belonged to the President. Mr. Kibaki remains the president, the head of state, and control of the army. Parliament is back in session and everyone is hopeful. Time will tell if the people will accept this compromise and long-term peace will abide. As the hundreds of thousands of displaced people return to their homes, pray for peace.

TROUBLE IN TURKANA

I have received reports that 2 of our churches in the district are now without pastors. While the circumstances vary, the bottom line, there exist a conflict between culture and Bible. The initial report was discouraging, but I trust the faith of all will be strengthened and God will be glorified.

Yet I will rejoice in the Lord, I will joy in the God of my salvation. Habakkuk 3:18

Please pray for my Turkana people.

MISSIONS CONFERENCE

Madison, MS-I was invited to preach a revival/missions conference for Victory Baptist Church. God blessed the meeting with His wonderful Spirit and challenged the hearts of this great church which resulted in an increase in their monthly missions giving by 40%. They also spoiled me with love, food, and fellowship. I owe a special thank you to Pastor Roger Taylor for the invitation and to the Appelbee family for the care given to me while in Mississippi. God bless each of you.

Hattiesburg, MS-While visiting Victory BC, Brother Roger Taylor took me to the Gulf Coast Bible Institute for a gathering of churches in Mississippi praying specifically for missions in their state. It was a joy to be around these missionaries, pastors, and preachers who have such a heart to carry the Gospel to their own Jerusalem as well as to the uttermost parts of the Earth.

KEEPING THE FAITH

While in Mississippi, I was given the awesome privilege of visiting with two veteran foreign missionaries. Brother Eldwyn Rogers spent 35 years laboring for the Lord in South America with his sweet wife Alice June. Sister Katherine Arrington along side her late husband M.S. Arrington served God for 15 years in the jungles of Bolivia. My heart was filled and my faith challenged by the testimony of these soldiers of Christ. Please pray for the Rogers family and for Sister Arrington as they keep the Faith in Mississippi.

I have fought a good fight, I have finished my course, I have kept the faith: 2 Timothy 4:7

DISTRICT LADIES AUXILIARY

Pensacola, FL-I was honored with the privilege to preach the district Ladies Auxiliary meeting for our churches in the Pensacola area. Their theme was love. It truly was a time filled with God's love. Thank you to Landmark MBC for inviting me to come and share in this time. It was also a chance to spend some time with my adopted family, sister Bessie Adams. She is widow to the late Brother W.L. Adams...and yes, there was a red velvet cake on the counter when I got there!

CONTAINER

Hamburg, AR-My container will be shipped from Arkansas the first week of June. I will be returning to Kenya the end of June. Missionary Chuck Fernandez has agreed to buy the household items of another missionary already in Kenya and will not be shipping with me. The cost is \$8000 for the container and shipping expenses. Can you help?

BREANNE IS 13!

Bushnell, FL-My first born is now a teenager. Breanne turned 13 on 27 February and we celebrated in pirate fashion. I am so proud of her...she is a wonderful and beautiful young lady! I love you Breanne!!

Happy Birthday Bre!

I Can Not Believe I saw snow for the first time in my life last month while I was visiting in Alabama.

I Can Not Believe my last report had the wrong month at the top. Sorry.
