TURKANA MISSIONS

REVIVALS

Pensacola, FL-I was honored with an invitation to come and preach a revival at Landmark Missionary Baptist Church. It was a great time with altars full, decisions made, and one man surrendering to preach. This sweet church has supported my work and has adopted me as part of their family. I love you all and thank you for all your love, support, and prayers.

Columbus-IN-Pastor Chuck Kennedy and Columbus Baptist Church extended an invitation to me to come hold a revival. God moved in each service with altars filled, hearts poured out before the Lord, and the church coming together. It was a joy to see so many who have journeyed to Kenya...I joked it was a gathering of Africans. Ed & Cheryl Evans hosted me and I know I gained 5 pounds from our daily feasts. Thank you Columbus Church for all you do to be a blessing.

TURKANA BIBLES

Nashville, TN-Pastor Greg Locke was at St. Catherine Baptist Church in Bushnell, FL preaching a revival when Pastor George Pirt brought him by my house to see me. Brother Greg asked if there was anything I needed to do before I returned to Kenya. I told him yes. I had hoped to find someone who could help me print Turkana Bibles. They are out of print in Kenya and no one was willing to print them here. He asked if I had one, and I did. He took the Bible back to Nashville. He and his church are printing 1000 Turkana Bibles to be shipped on my container...at no cost to me. Thank you Pastor Greg and Global Vision Baptist Church for your love and for your labor to see Bibles put in the hands of my folks in Turkana. **Ejok enoi Global Vision Baptist Church.**

As I have reported before, we are teaching adult literacy in our churches because most of the people in villages where I am working have never been to school and can not read. I have found a company who has solar powered players that contain the New Testament in the Turkana language. They are designed for the rugged and harsh land of Kenya and can be used by families and villages to learn from the Word of God when no one can read a Bible. I can also download lessons and Bible studies which can be used in discipleship. The possibilities are exciting. **The cost of one player is \$35 and I want to be able to buy 100 of them to put on my container. Can you help?**

CONTAINER

Hamburg, AR-I can not sing the praises of Joel Meredith enough. This is the first container I have shipped and I thought it would be a nightmare. I am sure it would be without the help of Brother Joel. He takes care of all the logistics and the final packing. All I had to do was drop off my things at his warehouse in Hamburg and he takes care of the rest. **Thank you Brother Joel for all your help in shipping my container.**

The cost to ship is \$5900; any help with this expense will be greatly appreciated.

NEW PASTOR

Tuscaloosa, AL-In April, my church voted in Joseph Witcher as our new pastor. I am excited at what the Lord is doing at New Hope BC and at our bright future with Brother Joseph. His ordination will be at New Hope on 31 May. Please pray for him during this special day.

SAYING GOODBYE

Texarkana-AR-While I was in Arkansas delivering things to Hamburg for my container; I stopped off and spent a few days with my dear friends...the Thompson Tribe. Heather, Josh, and Chad have made several trips to Kenya and have another one planned in November. Every time I am in town, they roll out the red carpet and treat me as part of the family. I love you guys!

Ye sent once and again unto my necessity, not because I desire a gift: but I desire fruit that may abound to your account. Philippians 4:16-17
