TURKANANA MAMA

## DEAF AND DELAYED

**Bushnell, FL**-I developed an ear infection after the 4<sup>th</sup> of July. It was incorrectly diagnosed as swimmer's ear and I lost the hearing in my left ear. I went to another general practitioner and she thought I had a fast growing tumor. She sent me on to an ear, nose, and throat specialist. This doctor told me I had an aggressive fungus in my ear that had blocked the entire ear canal and had dissolved the skin lining. She pulled out all she could, burnt what was left, and asked me to pray. When I saw her again, I still showed signs of fungus and was till deaf on my left side. She scraped all the flesh from the canal, burnt what was left, and asked me to pray harder. She also told me I would need to postpone my trip back to Kenya. On the next visit, I was fungus free!! But my hearing had not returned. She was convinced the structure of my ear, though still healing, was intact. She thought the problem was with inflammation in my inner ear. She promised me in 10 days, my hearing would return to normal. I saw her the last time on 20 August...and true to her word, my hearing had returned. I praise God for the healing that took place and am so thankful to all who prayed during this 6 week ordeal.

## MY PASTOR

**Daingerfield, TX**-South Union Baptist Church is an awesome church. Since becoming my sponsoring church, they have held a sending church seminar to learn how to take better care of me. They continue to shower me with love, prayer, and encouragement. They have also sent pastor Chad Thompson to Kenya 3 times. However, there greatest act of love was allowing Chad to come to Florida to spend time with me. He met my girls and came bearing them gifts. He just poured himself in me at a time when I needed it the most. Thank you to South Union for sending him and thank you brother for coming. I pray God helps each of you know what a huge blessing this was to me.

## FORGOTTEN SACRIFICE

**Bushnell, FL**-I am an extremely blessed man. God allows me to serve Him in Kenya among a beautiful people. Through this service, I have seen God step out of the shadows and reveal Himself in mighty ways. Countless numbers of folks have been saved & baptized in the 10 years I have been a part of what God is doing in East Africa. Churches have been established, Bible Institutes have been started and ALL to the Glory of GOD! But I am not the one who is sacrificing to offer this service to God. I am not the one who is growing up with their Dad on a different continent. My daughters are. God has blessed me with 2 beautiful children. Breanne is 14 and began her freshman year of high school in August. Michaela is 12 and is now in the 7<sup>th</sup> grade. They both are saved, baptized, and very active in their church. I could not be more thankful to God for the way they are growing up. As they have gotten older, our good-byes are harder. I ask that you please pray for my children...that their sacrifice will not be forgotten by God or His people.

**I love you, Breanne! I love you, Bug!**
