MEETING JESUS AT I-HOP

Baytown, TX-I was invited by Pastor Paul Cleveland from Calvary BC to come preach a revival/missions conference. It was a great time in the Lord and I have a deep love for these people. The building was full almost every night with many additions to the church. Their Faith Promise also increased 12% over last year. **There was one salvation.** Patty has been on the roll of a Baptist church since she was baptized at 13 years old. However, she never had peace. Wednesday (the first night), Patty met me at the door at the conclusion of the service and admitted she did not know she was going to heaven. Thursday during the invitation, she walked the aisle but was still not willing to pray. Bro. Paul and I were on the way home when Patty's husband called his cell phone asking if we could meet them at I-HOP tomorrow night. Friday during the service, Patty was glued to her pew. I was so discouraged. Bro. Paul, his sweet wife Ethel, and I made our way to the I-HOP and met Jeff and Patty for food. Orders were taken, small talk was made when Jeff stopped everything by saying, Patty, tell the man what you came to tell him. Tears filled her eyes as she admitted she was not saved. But she was full of confusion and turmoil. I shared some things with her from the Bible and she said she was ready to pray to ask Jesus to save her. As she began to pray, the Holy Spirit filled her with such peace that all at the table were in awe. After we rejoiced with her over her salvation, we noticed our untouched food (and melted ice cream). I remembered John 4 when Jesus' disciples came back from Sychar with food and found Him talking with a woman. She met Jesus at the well and Patty met Him at I-HOP! *Jesus answered and said unto her, If thou knewest the gift of God, and who it is that saith to thee, Give me to drink; thou would have asked of him, and he would have given thee living water. John 4:10*

SEMINAR

LBBI-The preachers had another seminar this month and one of them is struggling. His reading level is about the 3rd grade and class is a real challenge. Please pray for Paul Mzungut and the other men who have dedicated their lives to learn the Word of God.

Steven, Jehosaphat, Peter, Paul, William, David, Jackson, & Mike

CONTAINER

I have asked Bro. Joel Meredith to help ship a 40 foot container to Turkana, Kenya for me and missionary Chuck Fernandez. The cost for just the container and the shipping will be \$8000. I am praying for help to fill my part of the container with equipment to aid in the construction of my house and church buildings. This would include a diesel generator and power tools.

THANKSGIVING

This time of year, we take pause to give thanks for all that God has given us. I am forever thankful for my salvation. It has been over 16 years since I was saved and I am more thankful today than ever before to have my name written in the Lamb's Book of Life. I am also thankful for my 2 children, Breanne and Michaella. They are a source of joy and I am so proud of them. My family and friends who surround me with love and support; all the churches that pray and faithfully give to my ministry; the Turkana people who allow me to live with them and to teach them the ways of Christ....Thank you! *I thank my God, making mention of thee always in my prayers. Philemon 1:4*

I Can Not Believe while I was in Baytown, TX, someone threw a brick through my driver's side window and stole my navigational GPS from my windscreen!
