TURKANA MISSIONS

REVIVAL

Wiggins, MS-I was honored with an invitation to come and preach a revival at Ebenezer Baptist Church. This was the second time I have been invited to share in this special time with this church. The services were filled with the Spirit of God drawing folks to a commitment. It was a thrill to see the altars filled each night. Pastor David Roshto and his dear wife Ladonna hosted me and I am grateful for their hospitality. Ebenezer has supported my work since 1999 and I count it a great privilege to have shared a week those who have invested so much into me and my work. Thank you Ebenezer for all you do to be a blessing to me.

BIBLES

Nashville, TN-I has given the honor to personally thank the folks of Global Vision Baptist Church and Pastor Greg Locke who are printing 1,000 Bibles in the Turkana language. After countless hours of editing, the Scripture is close to being ready for print. I do not know what shocks me most...that this church who barely knows of me and my work are sacrificing so much of themselves to get the Bible in the hands of the Turkana people or that Global Vision Baptist Church is a new church plant who is still meeting in a store front! What faith is found in this wonderful group of people! **THANK YOU TO PASTOR GREG LOCKE AND GLOBAL VISION BC...**you have shown me depths of God's love!

SOLAR BIBLES

As previously reported, I bought 105 solar powered, hand held players which contain the Turkana New Testament. They will be a tremendous asset not only to our adult literacy programs in our churches, but also as an evangelism tool in new villages and in our Bible Institute...the possibilities seem endless. You can learn much more about these value tools by visiting www.megavoices.com. Several have sent offerings and to help cover these solar Bibles...**THANK YOU SO MUCH FOR YOUR HELP!!**

CONTAINER

Hamburg, AR-My container was shipped on 10 June. Thank you to Brother Joey Meredith for all his help in making this possible. He believes the expense for this will be \$6300. That will get my container to Nairobi. I have contacted a logistics man in Nairobi and he says he can truck my container from Nairobi on Lodwar (in the middle of nowhere according to Brother Joey) for another \$2000. If all goes as planned, the container should be in the city by 26 August and (hopefully) to Lodwar by September. Please pray for this.

SAYING GOODBYE

Bushnell, FL-In some ways, the year spent in America has been long. But then there are my children...and this year was not nearly long enough! The one thing I hate

about living in Kenya is saying good-bye to my girls. They have grown into very beautiful young Christian ladies. For all the fun we had, all the memories made, all the love shared...it was just not enough. Please pray for Breanne and Michaella.

I love you and already miss you!

Breanne & Michaella-my beautiful girls

I'M BACK IN AFRICA...

I made it back to Kenya on the 4th of July. It is truly good to be home. I have purchased a 2000 Toyota Prado and it is in the shop getting modifications to make it ready for the harsh bush in Turkana. **THANK YOU TO MT.**

HEBRON BC FOR YOUR HELP IN THE PURCHASE OF THIS TRUCK! I have also made it to Lodwar and am in the process of setting up house again.

A missionary friend of mine has left Kenya and I have been able to move into his old house. The best thing about his house...it has electricity! After 3 years of living with no power, I now will be able to have a refrigerator to keep water cool and meat (bought from Nairobi) frozen.

...AND IN THE FIGHT!

Turkana-One of the villages we are working is called Natiir. Before I left on furlough, I received a report from this village that I had been accused of being a devil worshipper and if they allowed me to continue to work among them...death would come. While I was in America, another report came...that I drink the blood of Turkana children. Please pray for this village. The souls of men and women hang in the balance...and I am preparing for victory!
