TURKANA MISSIONS

GUESTS

I was blessed this month to have Missionaries Chuck and Terry Fernandez come to Turkana. During their 3 week visit, they helped with evangelism, teaching, preaching, and late night medical runs into the villages to rescue folks in dire need of help. Thanks for coming...and come back soon!!

LBBI

Lodwar-The students in the "Akicha" class studied through the books of John and 1 Peter this month. I stand amazed at their insight into scripture and the high marks earned on their tests. Please pray for them as they continue in their study of the New Testament.

SALVATIONS

Napetet-This month, our church in this village saw 19 make professions of faith. There are those who need to be baptized...but the Turkwel River is dry. So we wait...

Nakechichok-There was 1 saved this month and others who want to be baptized...but they are 40kms downstream from Napetet. So we wait for the water to return to the river.

Nanyangakipi-2 put their faith in Jesus Christ this month. 11 are awaiting baptism but there is no water. So we wait...

Nangolipus-11 made professions of faith this month. There are 21 folks that have shared with Pastor Moses they want to be baptized...but like everywhere else right now, there is no water. I told them if nothing else, we will plan huge baptismal services in the spring when the rains come again.

Naduat-44 souls were saved and we are teaching, teaching, teaching. I am not sure when the Lord will organize this work...but we press towards that goal!

MARRIAGE SEMINAR

Napetet-Pastor Michael and Napetet Landmark Baptist Church hosted their 3rd Annual Marriage Seminar this month. All 5 of our churches and 2 Bible Baptist Churches from Lodwar came for a wonderful time of teaching, preaching, fellowship and food! Each year it just gets bigger and better. Over the 4 day event, we had 5 teachers who challenged and encouraged us with their lessons. In the evenings, we had exciting preaching services. One of the church's neighbors, Peter, came and was saved. We have prayed much for him over the years and rejoiced with him and his wife over his salvation! During the heat of the day (after lunch), Napetet put on dramas exposing problems in the home. It was an eye opener for me. I never "see" the dynamics of a Turkana marriage or home. Deep-rooted cultural practices were openly mocked as they challenged us to build our homes on the Word of God. It was an awesome time!

PLOT PURCHASE

Nangolipus-The bush land in Turkana has never been surveyed and is really not for sale. This month, I met with the elders of Nangolipus and the government chief. We drank chai (hot tea) together and discussed whether they would welcome our church and give us a plot of land to build on. There is deep culture in this process and I have messed it all up before! Everyone gets something from me. If I had herds of goats, I would promise so many goats to join the village. Since I do not have goats, I bring food and shillings. The family who first settled gets the most and it drops off from there. An agreement is signed with this family, the chief, and me. We are now officially part of Nangolipus village! We plan to build a building next month. Pray for us!
